

YOU ARE INVITED
To The
Saskatchewan Youth Bowling School
August 11-14, 2011

We are already looking forward to another exceptional school! Our 26th annual will provide exceptional instruction, classroom, and entertainment, plus of course an opportunity to learn from some of the sports best professional athletes.

Thank you to those of you (youth, parents, and staff) who participated in our November survey. WITH YOUR HELP we have made decisions that will provide the best options to our participants and their paying partners.

Bowlers can now select from one of two options (outlined below).

Option A – All inclusive

Tuition fee \$475

- Includes; accommodation, meals, instruction, transport to lanes, and linage.
- Payment may be provided in *two installments of \$275 and \$200.*
- **All cheques must be included with the registration form.**
- **All post dated cheques must be dated no later than July 1st**

Option B – Accommodation removed

Tuition fee \$350

- Includes; meals, instruction, transport to lanes, and linage.
- Youth bowlers are responsible for their own accommodation
- Payment may be provided in *two installments of \$175 and \$175.*
- **All cheques must be included with the registration form.**
- **All post dated cheques must be dated no later than July 1st**

Please note: Option B

- Requires that you also provide your transportation to and from the bowling center each day, OR...be dropped off at the host hotel early enough to ride the bus with the hotel group
- That you continue to participate in all our activities (at the bowling center and/or at the park or mini golf)
- All expectations of the Bowling School also apply to those opting to find their own accommodation

Please remember we typically fill well before the August school date. It is not unusual for the school to be filled to its maximum by the end of March.

Look forward to seeing you in August. Please direct all inquires via contact info below.

Sincerely

Tom Paterson – School Director 306-227-1875, 249-4328 tom-paterson@shaw.ca
